TRUSTEES' MEETING

ANNOUNCE PUBLIC MEETING TO DISCUSS PROPOSITION OF S. C. GAS CO.

The Board of Trustees met in regular session at the City Hall at 8:10 p. m., March 14, 1918. All members present at roll call.

The minutes of the last regular meeting were read and approved.

A communication was read from the Finance Committee reporting on their examination of the report rendered by P. D. Hall, Public Accountant, of the accounts of the City for the fiscal year ending June 30, 1916, also the year ending June 30, 1917, to the effect that said report is true and correct. In regard to the recommendations contained in said report, the Committee recommended the adoption of the one on page 2 of the report in reference to the Treasurer's Department, and on page 3 under the head of "Funds in Departments." The Committee recommended that in this connection, payments be made to the Treasurer from all departments at least every fifteen days, on the 15th and on the last day of each month. On page 5 in reference to the "Public Welfare Department" the committee recommended that the City Clerk, City Treasurer and City Manager be appointed a Committee to look into the practicability of the suggestion made in the Auditor's report in regard to the cash book. On motion of Trustee Muhleman the report was received and the recommendations therein contained adopted.

Application for permit to conduct a jitney business was received from Stephen O. Khodigian; the same being approved by the City Manager, was, on motion of Trustee Grist, granted.

The City Manager presented a communication in reference to applications for the use of the Council Room, also for the use of the Assembly Room in the public building in the Tropico District for meetings mostly of a patriotic and civic nature, and recommended that the letting of these rooms for such purposes be authorized and that the Council designate someone to have charge of the rooms in this connection. On motion of Trustee Woodberry, it was ordered that the communication be received, and that the recommendation be adopted; the use of the rooms by the public to be under the control of the City Manager.

The City Manager presented a communication in regard to the improvement of a 23-foot strip of the roadway in the center of Broadway east of Glendale avenue used by the Pacific Electric as a right of way. On motion of Trustee Muhleman, the communication was referred to the City Attorney to report on at the next meeting.

Trustee Woodberry made a motion, which was adopted, that when the Board adjourn, it be to meet Tuesday, March 19th, at 7:30 p. m.

The City Manager presented a communication requesting that an additional thirty days time be granted in which to complete the assessment roll for the opening and widening of Sycamore Canyon Road. On motion, the request was granted.

A communication was read from the City Manager in regard to the proposed new house-numbering system, suggesting that an invitation be extended to the people residing upon the several streets which it is proposed to rename, inviting them to select names for the same and suggesting further that a certain evening be designated, preferably Thursday evening two weeks from date, as street-naming night, at which time a meeting of the residents of each street shall be called at some conveniently located residence on each of the several streets to be named, and further that notices be sent to the residents of each street, announcing time, place and object of such meeting. The communication stated that the following streets will probably have to be renamed under the proposed new system: First, Second, Third, Fifth, Seventh, Eighth, Ninth and Tenth streets.

Trustee Muhleman made a motion, which was adopted, that Tuesday evening, March 26th, be the date fixed for public hearing in this matter; in the meantime, the communication be filed and taken up at that meeting.

The City Manager recommended that the Ford automobile which has been used for general purposes and police service during the past three and one-half years, be replaced at once, as the machine has outlived its usefulness and is a constant expense for repair, and requested authority to purchase a new 1918 model five-passenger Ford car at $524.08; the present machine to be turned in as a credit of $100.00. On motion of Trustee Grist, the City Manager was authorized to take the action recommended by him.

The City Manager presented a communication in regard to the Forestry Department, requesting authority to devote the sum of $200.00 out of the Contingent Fund of $300.00 set aside for that purpose, to the purchase of trees, the communication stating further that it is the plan to plant fifteen hundred trees during the coming season. On motion of Trustee Woodberry, the City Manager was authorized to make the purchase.

On motion of Trustee Muhleman, the City Engineer was instructed to prepare a profile of the grades on Orange Grove avenue between Adams street and Verdugo road.

Mr. Barstow, City Attorney of Alhambra, addressed the Board in reference to gas heaters, requesting that the City Trustees familiarize themselves with the action of the authorities of the City of Los Angeles in regard to this matter, and if they can consistently do so, make a change in the present city ordinance covering this subject.

Mr. Cronin appeared before the Board and made a report upon the condition of the recently improved portion of Milford street, calling attention to some damage caused by recent rains. On motion of Trustee Woodberry, the Street Department was instructed to do what work may be necessary to put this street in good condition.

The City Clerk reported that the Pacific Telephone & Telegraph Company had made its annual report of total gross receipts for the year ending March 10, 1918, in the City of Glendale, showing the sum to be $39,680.73, and had turned into the City Treasury the 2 per cent on this amount, amounting to $793.61 as required by that company's fran-

STILL FORWARDING MEN

LOCAL EXEMPTION BOARD CONTINUES TO SEND MEN TO TRAINING CAMPS

More men have been enlisted by the local Board of Exemption to go forward in the near future. One is Paul Hagood of Harvard drive, Eagle Rock, who has been enrolled in the flying section of the Aviation Corps. He expects to take the course at the Berkeley Aviation School for primary work and from there he will be sent to the flying squadron.

John Herbert Jones of Ingraham street, Los Angeles, goes to Rockwell's Field Aviation Section as a mechanic.

John Howard Harding, of 1261 Sycamore avenue, brother of E. A. Harding, sent to San Antonio last week, also goes to Rockwell Field as a mechanic.

Charles M. Doolittle, 618 E. Tenth street, Glendale, Charles R. Brouder of the Tropico Mining Company, and Cecil Burton were sent to the 319th Engineers' Corps at Camp Fremont yesterday.

Chairman Lanterman is in receipt of an interesting picture postal from Ashley Pettey, one of the soldier boys sent from this district (Burbank) to Camp Funston at Fort Riley, Kansas. The picture strikingly portrays the sort of work that men of the Signal Corps are doing. Ashley is in Company A, Battalion 323, Field Division, Signal Corps. He writes that he is making good.

A few special examinations were made Thursday by Dr. Flint.

HEAR NOTED Y. M. C. A. WORKER

Mr. and Mrs. Mattison B. Jones, Mr. and Mrs. W. D. McRae and Dr. A. W. Teel were among those from Glendale who attended the banquet in Los Angeles Thursday evening under the auspices of the Los Angeles Y. M. C. A. in honor of Harley N. Holmes of Flanders. Mr. Holmes is soon to take charge of the all-British Y. M. C. A. work on the French front and he is one of the biggest men in that work today.

In his wonderfully interesting and stirring address Mr. Holmes spoke of the work of the organization, especially at the front. He quoted interviews with Gen. Pershing and Gen. Sir Douglas Haig in which they declared the Y. M. C. A. had doubled the efficiency of the troops and had aided marvelously in keeping up the morale of the troops.

Ranchers in Ontario and Pomona are delighted with the seeming efficiency of the check dams established in San Antonio Canyon. Instead of rushing down the valley by the check dams it was spread over gravel dams during the last rain where it sank into the earth to be stored for summer use.

WEATHER FORECAST—Fair tonight and Saturday. Northeasterly winds.

HOUSTON ASKS LARGE APPROPRIATION

NEARLY TWENTY MILLIONS ASKED TO CARRY ON WAR WORK OF AGRICULTURAL DEPARTMENT NEXT YEAR

(Special Service to Glendale Evening News)

WASHINGTON, March 15.—To carry on during the fiscal year of 1919, the emergency war work begun during the current year, Secretary of Agriculture Houston today asked Congress for an extra appropriation of $19,730,893. This money is to be devoted to intensive efforts to increase food production, educate the farmers and assist in securing adequate farm labor.

TO CHANGE CASUALTY LIST SYSTEM

MAY PUBLISH LIST ONCE A MONTH WITH ADDRESSES INSTEAD OF DAILY LIST WITHOUT

(Special Service to Glendale Evening News)

WASHINGTON, March 15.—The manner of issuing the American casualty list is soon to be changed. The list will be issued only once or twice a month with the addresses of the victims. Acting Secretary of War Crowell is known to be in favor of that plan. He and General March are to consult soon over the president's suggestion for a change in the casualty list system relative to improving the daily list system without addresses. It is believed that from this monthly list with addresses, the enemy will not be able to gain any information in the way of identifying American units. At present, military men hold that addresses published on the day of casualty tends to aid the enemy.

JAPANESE INTERVENTION LOOMS LARGE

JAPANESE OFFICIALS BELIEVE AMERICA WILL SOON SANCTION INVASION OF SIBERIA

(Special Service to Glendale Evening News)

TOKIO, March 15.—Japanese intervention in Siberia appears now only a matter of time. All indications and Japanese mobilization tend to increase this belief. It is the opinion here that America is beginning to agree to intervention, which the other allied nations have already sanctioned. Meanwhile, Japan is going to mediate between North and South China and unify all factions to meet the threatened Russian-German menace.

AMERICANS WIN CROIX DE GUERRE

TWO OFFICERS AND EIGHT ENLISTED MEN RECEIVE FRENCH DECORATION FOR BRAVERY

(Special Service to Glendale Evening News)

WITH THE AMERICAN ARMY IN FRANCE, March 15.—Colonel Douglas McArthur, Capt. Thomas Handy and eight American enlisted men have been decorated with the French Croix de Guerre for gallantry in action.

AUSTRIAN WORKERS STRIKE

(Special Service to Glendale Evening News)

COPENHAGEN, March 15.—A new strike is under way in Austria, it was learned this afternoon. Austrian workers on the northwestern railroad and several other lines have struck, tying up traffic, according to the Berlin Lokal Anzeiger. The movement is growing. The military ordered the strikers to return to work but they refused.

STATEMENT OF WATER AND ELECTRIC RATES EFFECTIVE IN GLENDALE

For the information of those who are to vote at the Water Bond Election in the Tropico District, March 19th, and to prevent misunderstanding, the Public Service Department of the City of Glendale wishes to call attention to the rates charged for water and electricity within the city limits.

WATER

$1.00 for the first 1000 cubic feet.
2 cents per 100 cubic feet for all additional
Monthly minimum $1.00
This rate is applicable to all uses.

ELECTRICITY

50 cent service charge plus
2 cents per kilowatt hour up to 100 kilowatt hours
1 cent per kilowatt hour for all over 100 kilowatt hours
For polyphase power the service charge is 25 cents per horsepower. No lower service charge than for five horsepower.

These are the rates that will become effective within the Tropico District if the City takes over the water and electric systems.

It is hoped that it will later be possible to reduce the water minimum, but no announcement can be made at this time.

HEAR REAL FIGHTERS

BRITISH RECRUITING OFFICERS SPEAK AT AMBULANCE SOCITY MEETING

A good audience gathered in the auditorium of Glendale High School Thursday evening for the entertainment provided by the British Ambulance Society and waited patiently for the program, which did not open until after 8:30. Those who attended were well rewarded as it was excellent in quality and variety, and the speeches by the Canadian soldiers, Sergeant Major Mattier, Sergeant I. N. Finley and Sergeant Bryson, who have been in the thickest of the fight at the front and who have been sent out as recruiting officers, were intensely interesting. These Canadians were born in the British Isles, one was English, one Irish and one Scotch, but residence in Western Canada has developed them in physique and capacity to meet emergencies. Each secured and held attention and the audience was reluctant to let any one of them go. It was the real thing by real fighters, and the men and women who were there appreciated the difference between hearsay and direct evidence. After seeing and hearing them it is not hard to believe the feats of valor that have been credited to the Canadian troops.

Mrs. Mabel Capell's lovely voice was greatly enjoyed in "My Ain Folk" and "Killarney," and the "Treble Cleff Club" pleased all hearers with "Sing We Merrily," a spirited part-song which displayed the harmony of these blended voices in a charming way.

Bernard Paul, who presided over the meeting and who is secretary of the Los Angeles Chapter, made a brief resume of the work of his organization and urged patriotic endeavor to increase the output of the British Ambulance Chapters.

Henry Boddington, of the Royal Colonial Institute of Boston, spoke a few words at the close of the program in explanation of the drive for membership, urging everyone present to enroll, and to contribute to the fund for much-needed wool.

Dorothy Hunt gave a song and dance rendition of the "Mason Dixie Line," Dorothy Morton gave a slightly more serious interpretation of "Joan of Arc," and the two joined in a song and dance to "When the Kaiser Does the Goose Step" and "Keep the Home Fires Burning."

The meeting opened with the "Star Spangled Banner" sung by the audience, and closed with "My Country 'Tis of Thee" and "God Save the King."

PRESBYTERIAL MEETING

Quite a party of Glendale ladies have been attending the Presbyterial Meeting held the early part of the week at the First Presbyterian church in Los Angeles. Among them were Mrs. M. P. Harrison, Mrs. W. E. Edmonds, Mrs. Roy King, Mrs. David Black, Mesdames Carmichael, Clendenin, Lilly, Wilkins, Lemon, Cameron Johnson, McCoy, Whitney, L. Richardson, Misses Elizabeth Hosack, Margaret Nichols, Mary Wilkins and Leta McCoy. The meeting was a great inspiration to all who attended.

WELCOME HOME

Mrs. Joseph Webster of Park avenue was treated to a delightful surprise Thursday by nineteen old friends and neighbors who appeared at her door with their sewing and announced they had come to spend the afternoon with her. They brought the party refreshments with them and a very jolly time was spent visiting about old times.

Mr. and Mrs. Webster are old residents of the Tropico district, having been among the first settlers. For two or three years they have lived in the Imperial Valley, returning to their Park avenue home about two months ago. Their big circle of friends was delighted to have them come back, and the little gathering was an informal welcome home most gratifying to the surprised hostess. The ladies did not waste time, however, for the work they brought was philanthropic and for the clothing of the poor in their own locality. The guest list included Mesdames Wattles, Gaarder, Davenport, Barker, Lynch, Mabry, Carmack, Hobbs, Morgan, Stephenson, Logan, Ripley, Craig, Bullis, Tholen, Herbert Smith, Florence Good, Misses Dorothy Hobbs and Hattie Myers.

Now is the time to begin to consider who should be elected to the various municipal positions in the City of Glendale. The election will be held April 9. There are many good candidates to select from. Every resident of Glendale of voting age should get out and vote.

A SERIOUS QUESTION

SHALL GLENDALE'S RED CROSS CHAPTER SUSPEND FOR LACK OF FUNDS?

"The Glendale Red Cross Chapter is out of materials, out of money, and work will have to stop unless means are provided."

This is the situation which is put before members of the Glendale Red Cross Chapter, by Vice-Chairman Lawshe, who is asking each subscriber: "Have you paid what you owe on your pledge?"

In elaboration of these statements Mr. Lawshe says: "The Glendale Chapter of the Red Cross faces a serious dilemma. It is out of yarn, yet the demand for woolen socks and helmets is more insistent than ever. Its supply of gauze for surgical dressings is likewise exhausted and the work in this line now being done is with materials borrowed from the Glendale Sanitarium. Its cash is almost exhausted. Its outstanding unpaid bills for yarn and other material exceed the available cash on hand by about $500.

"When I took hold of the affairs of the Chapter I understood that its resources were ample to carry on the work, and they are ample if those who pledged financial support in monthly paymetns would meet those payments when due. I believe that every pledge was made in good faith, yet if the payments are not made promptly, the work must stop.

"Since January first over $2500 has been paid on old indebtedness of the Chapter, yet there is a balance due on yarn account of $825. The Chapter cannot utilize its credit for yarn without first paying its old score.

"The situation is simply this : If those who owe monthly pledges do not pay up in full to date, I see no alternative but to suspend the knitting and surgical dressing work, which would be little short of a disgrace to the community. We have over 600 knitters whose services would be lost. The Chapter has turned out and shipped finished garments and surgical supplies having an aggregate commercial value of over $25,000, made from materials for which it has paid out over $11,000. The Glendale Chapter of the Red Cross is in fact a large manufacturing business but it can not run without operating capital. The subscribers to the Red Cross pledges are not slackers; they are simply careless or indifferent. Yet more than one hundred and fifty persons who made pledges have not paid one cent on them and others are very much in arrears. Shall the great work of the Red Cross stop in Glendale for want of the funds which are fully pledged and which are legally and morally due?"

THE RED CROSS SHOP

After paying all bills and purchasing supplies, Mrs Jack Boettner cleaned up nine dollars from the returns of the luncheon at the Brand boulevard Red Cross Shop on Thursday, which was not at all bad for one day's labor for the cause. Mrs. Boettner badly needs table linen for these luncheons and says she could do very well with old table cloths, even if they have holes. She is a clever woman and would probably invent a decoration for the holes. She also reports that she is beginning to receive regular contributions for these luncheons. One woman has pledged donations of ginger bread of a variety that fairly melts in your mouth and creates a strong appetite for more. It is simply delicious. The reporter had some of it, and knows, having a critical taste in gingerbread. Another patriotic woman is giving custards. These things all help immensely, and Mrs. Boettner is anxious the public should understand that raw food will be most acceptable, a few potatoes, onions or other vegetables are always useful. The menu now includes articles made with substitute flours, and those who wish to discover how breads and cakes are made of rice or barley flour should visit the shop and ask the waitresses to be supplied with these dainties. It should be remembered, however, that lunches are served only on Thursday.

The latest contribution to stock at the Red Cross Shop is a beautiful and very warm slumber robe made by Mrs. H. E. Russell, (who is 80 years young) of heavy woolen and velvet samples put together with an eye to artistic effect and brightened with catstitching in yellow silk. The shop has already been offered $5 for it. It will be left on display a few days and if a better price is made, the last bidder will get it. Parties in need of such a serviceable coverlet should visit the shop.

chise. The company had also turned in to the City Treasury the amount of $33.08 due in accordance with the terms of its franchise to the former City of Tropico.

The City Engineer reported progress in preparing precinct map.

On motion, Resolution No. 994, "A Resolution of the Board of Trustees of the City of Glendale providing for the payment of a portion of the cost of the construction of the Ivanhoe Bridge," was taken up for reading. On motion of Trustee Muhleman, the same upon being read, was adopted.

On motion of Trustee Muhleman, the City Manager was instructed to give notice to the people through the Press, that the Board has received an important communication from the Southern California Gas Company, submitting a proposition in lieu of municipal ownership, and that there will be a public meeting in the Council Chamber at eight o'clock p. m., Tuesday, March 19th, to discuss the matter.

The City Treasurer presented tax deeds issued for property sold to the city for delinquent taxes, and on motion the same were referred to the City Attorney for examination and, if found correct, ordered to be rescinded.

On motion of Trustee Jackson, it was ordered that construction given to the City ordinance by the Building Inspector, and his action in ordering furnace taken out at the Palace Grand Theatre for not complying with this ordinance, is hereby confirmed and approved.

"The First Aid Class" which is under the instruction of Dr. William C. Mabry, met as usual Wednesday evening in the city building at the corner of Tropico and Brand boulevard. The lesson was a general review of the concluding chapters of the Manual, including practice in lifting and litter work. At the next session there will be practice work in bandaging. The examination of pupils for certificates will take place in the near future.

when I saw the poor lady. She was having all kinds of trouble. She had been to one of those places where they don't deliver, where they live on their losses. Well, the poor soul had a sack of flour in her arms; there was a hole in the sack and the flour was running all down the front of her black silk dress and the butter was all melting in her comfort bag, with the broken eggs that smelled like limburger cheese. She had paid a jitney man 15c to bring her down town to shop. When she got home all tired and cross, she found she was about 50c out. She has her goods delivered now. Personals

Miss Helen Wallace of 441 Cedar, is visiting friends in Santa Barbara.

Mrs. Edgar Pack was the dinner guest of Mrs. Ralph Ashton of Hollywood Saturday.

Mr. and Mrs. W. D. Mayers of 423 West Third street have just returned from a week's visit with Santa Barbara friends.

Mrs. Elliott B. Wyman is entertaining the members of the Foothill Club at her home, 1326 Maryland avenue, this afternoon.

The Sunday evening service at the Tropico Methodist church will be given a St. Patrick's day flavor by Irish songs and decorations.

T. J. Grose, of the Grose Vulcanizing Company, has had numerous letters and radiograms from his son, Ensign Grose, who writes that he has been transferred to a larger vessel with a staff of twelve officers, and that his duties have been enlarged. He is now on the high seas.

Lawrence Lynn Perrin, son of Mr. and Mrs. W. S. Perrin of 142 Orange St., was quietly married in Los Angeles last Tuesday, March 12th, to Miss May Yeager of that city. The young people have taken one of the McClellan Apartments at Third and Louise streets, and intend to make their permanent home in Glendale.

A false alarm sent the big red fire engine flying to answer a summons to the three-story apartment house on the northeast corner of Third and Glendale avenues. A stove in an apartment on the second story smoked and a draft drew the smoke downward into the apartment below. The alarmed tenant took no chances, but telephoned the fire house.

Mr. and Mrs. J. N. McGillis of 205 Lomita avenue have received a card announcing the safe arrival of their son, Hill McGillis, in France. He belongs to the Quartermaster's Corps and it will be his business to check in supplies and munitions as they arrive from America. Owen Dibbern and Joe Wilson, both Glendale boys, are with him.

Glendale will send a large delegation to the Christian Endeavor Convention which is being held Friday, Saturday and Sunday in Santa Monica. Rev. W. E. Edmonds of this city will be the chief speaker at the Saturday afternoon session, and not less than fifteen members of the Intermediate Division of the Sunday School will attend and twenty of the Senior Division from the Presbyterian Church. The Christian and Congregational Churches will also send delegations. Miss Matley and Miss Field will spend the weekend there as guests of Mrs. Alva Bradley of Venice. It is altogether probable that the convention attendance will reach 5000. Several house parties will go from Glendale.

The shirt waist dance given in the K. of P. Hall on Brand and Park avenue Wednesday evening was a delightful social affair. The Acacia street bunch is a clannish set which always works together and which is exceedingly loyal to the interests of the Acacia street school. In fact, the Mothers' Club has established such intimate friendly relations with teachers and pupils that the school has become a sort of partnership affair. The dance was for the benefit of the Red Cross Auxiliary of that school and of course it was well attended. The committee has not turned in its report yet but roughly speaking it is estimated that $35 were cleared for the fund.

The Home Guard drill and social meeting of the Ladies' Auxiliary, which takes place once a month at the armory where the men are drilling in Logan's store in Casa Verdugo, was to have taken place a week ago but was postponed and was held Thursday evening of the present week. There was an excellent attendance and two new members were enrolled. At each meeting some object which is donated is raffled off and the fund thus accumulated will be used for the purchase of a flag. The organization is thriving in all respects. Mrs. D. K. Barnes of Casa Verdugo is president of the Auxiliary.

The committee which had in charge the food sale for the benefit of the Doran street P.-T. A., which was held last Saturday at Third and Brand boulevard, reports that it was a great success. Contributions were generous and everything given was sold. The stock included pies, nut bread, loaf cake and drop cakes. There seemed to be a special demand for the nut bread. The treasury was enriched to the extent of $18.20.

The Central avenue P.-T. A. had an excellent and well-attended meeting Thursday afternoon, at which Mrs. Jessica Hazzard lectured on wheat substitutes and greatly interested her audience. Mrs. Nanno Woods read several of her original war poems and Prof. Harry Howe and Superintendent R. D. White spoke on thrift stamps and organized a Thrift Society. The president, Mrs. Lehman, announced that the Association would give an evening entertainment April 12th for the benefit of the Central avenue Junior Red Cross, at which Miss Mary Young would be the chief entertainer.

Mr. and Mrs. Ted Davey and their small son Frederick, of St. Charles, Illinois, who are spending the winter in Southern California, came out from Los Angeles Thursday to dine with Mr. and Mrs. G. H. Rowe of 516 Orange street. Mrs. Davey is Associate Matron in the Day Star Chapter of the Easter Star in St. Charles and she was a guest at the meeting of the Glen Eyrie Chapter last evening. These tourists are so delighted with Southern California that they have arranged to make their permanent home here, Mr. Davey having received a fine business offer.

RED CROSS BALL

The bright weather is raising high hopes in the breasts of the ladies who are acting as patronesses and committee on arrangements for the ball to be given Saturday evening, March 16th, at the Elk's Club House for the benefit of the Red Cross. There is every indication that it will be a great social event and money maker for the cause. Tickets can be secured at the Red Cross headquarters on Brand boulevard, at the Glendale Music Company, or from members of the committee: Mesdames C. A. and F. S. Whitaker, John Robert White, W. H. Boothby, J. Ford, Lillian Dow, and Miss Coral Griffith.

WORDS OF APPRECIATION

I desire through the columns of the Glendale Evening News to express my appreciation to the Greater Glendale Campaign Committee and the citizens of Glendale who have honored me by placing their signatures on a petition requesting and endorsing me to succeed myself as candidate for City Trustee, and if I am elected I shall continue in the future as in the past to represent the whole of the City of Glendale.

JOSEPH S. THOMPSON.

"WHEN JACK LAY DEAD"

When Jack lay dead, Jim never came
To look at him or shed a tear;
A wreath of roses bore his name,
But Jim himself did not come near.
"I'd like to 'member him," he said,
The way he wuz at fifty-five,
An' all th' good things I can say
I told him when he wuz alive.

"It ain't no use for me t' go
An' praise his good deeds far an' near.
Let them do that as didn't show
Their love for him when he wuz here.
It ain't for me to stand around
An' prate about his virtues good.
What I can say I said to him
When he was here an' understood.

"It wouldn't seem just right for me
To stand a-talkin' by his bier,
An' gaze on eyes that cannot see,
An' speak the things he cannot hear.
He understood afore he went
Th' way I'd feel when he wuz dead;
An' I am happy in the thought
That while he lived my praise was said."

NOTICE OF FORECLOSURE SALE

Sheriff's Sale No. B56080

Order of Sale and Decree of Foreclosure and Sale

Martha L. Johnson, Plaintiff, vs. J. Frank Walters, Florence E. Walters, his wife, Robert A. Walton, Anna R. Bishop, John Doe, Mary Roe and John Doe Company, a corporation, Defendants.

Under and by virtue of an order of sale and decree of foreclosure and sale, issued out of the Superior Court of the County of Los Angeles, of the State of California, on the 28th day of February, A. D. 1918, in the above entitled action, wherein Martha L. Johnson, the above named plaintiff, obtained a judgment and decree of foreclosure and sale against J. Frank Walters, Florence E. Walters et al., defendants, on the 19th day of February, A. D. 1918, for the sum of Eighteen hundred twenty-five and 40-100 ($1825.40) Dollars gold coin of the United States, which said decree was, on the 26th day of February, A. D. 1918, recorded in Judgment Book 417 of said Court, at page 164, I am commanded to sell all those certain lots, pieces or parcels of land situate, lying and being in the County of Los Angeles, State of California, and bounded and described as follows:

Lots one hundred ninety-six, two hundred thirty-one, two hundred forty, two hundred forty-five (196, 231, 240, 245) of Tract No. 1701 (Townsite of Montrose), as per map recorded in book 22, pages 178 and 179 of maps, in the office of the county recorder of said county. Together with the tenements, hereditaments and appurtenances thereunto belonging or in anywise appertaining.

Public Notice is hereby Given, That, on Monday, the 8th day of April, A. D. 1918, at 12 o'clock M. of that day in front of the Court House door of the County of Los Angeles, Broadway entrance, I will, in obedience to said order of sale and decree of foreclosure and sale, sell the above described property, or so much thereof as may be necessary to satisfy said judgment, with interests and costs, etc., to the highest and best bidder, for cash gold coin of the United States.

Dated this 14th day of March, 1918.

JNO. C. CLINE,
Sheriff of Los Angeles County.

GERMANS WILLING TO VOTE, BUT WON'T FIGHT

LINCOLN, Nebr., March

Hundreds of men in Nebraska who have voted for years are claiming exemption from military service on the ground that they are alien enemies. Under a law to be initiated by the state council of defense, Nebraska will soon change her election laws so "alien enemies" or even just plain "aliens" can not vote and help make the laws.

In Scottsbluff county, Nebraska, 736 registrants under the draft law, all of whom have been voting under the state law which gives them the ballot on the strength of their first papers, or declaration of intention, claimed exemption.

In some school districts in this state it has been discovered that the German parochial schools entirely crowded out the public schools, and in some of these German schools every bit of the instruction was in the German language.

WANTED

To the first good man, a Glendale man, who buys my auto I will give a good position working for me on the outside. A bright, clean, honest, intelligent man, married preferred, one not addicted to the liquor habit, no smoking or chewing during working hours, one who is pleasant all the time, sick or well, one who can take orders for coffee and tea without telling the customers his troubles, kind to the children. I want a good man to help me build up the best business in Glendale. It's a healthy job, outside, good hours. To one such who understands the care of a Ford machine I offer a good position. I can get hundreds of boys for delivering who would smash a machine up in about a month. But a man who owns his own machine is going to take care of it. Are you that man to take a responsibility. If so, see

HOW THE WAR HAS MADE THE HOOVER A NECESSITY IN YOUR HOME

War needs call for the conservation of everyone's time, money, possessions and health.

1. TIME. The Hoover makes house-cleaning 80% easier. Women who do their own "picking up" can quickly and thoroughly clean. The time saved can be used to help win the war.

2. MONEY. The Hoover saves house-cleaning and carpet-cleaning bills. If you hire help, the help can do more in a day's time. The Hoover also doubles the life of rugs, carpets, curtains, draperies, wall coverings, etc., because it thoroughly and dustlessly cleans. That saves money.

3. POSSESSIONS. The Hoover prolongs the life of your household furnishings and interior decorations as above stated.

4. HEALTH. Disease germs thrive in dust. Brooms stir up the dirt only to have it light somewhere else. Carpet-sweepers are tiresome. Both weaken a woman making it easier for the germs to get a foothold in her system and cause sickness. The Hoover dustlessly rids the house of dirt and germs without tiring its user. Healthy women can help in many ways to win the war.

A Hoover is a necessity these days. Pay for it while you save and benefit through its use.

REMEMBER THE TUSCANIA

If every one of the hundred million Americans buys only one 25-cent WAR SAVINGS STAMP today, the Government will have twenty-five millions of dollars tomorrow—and twenty-five millions, while it won't bring back a single life, will buy five Tuscanias to take the place of the one that is lost. Perhaps that will make the Kaiser hesitate.
